

Admission Guide

Welcome to Auxano Nursery and Primary School International! We're excited that you're considering us for your child's educational journey. Below is a step-by-step guide to help you through our admissions process:

Step 1: Complete the Online Application Form

Visit our website and navigate to the admissions page to access our online application form. Fill out all the required fields with accurate information about your child.

Step 2: Submit Required Documents

After completing the online application form, please submit the following documents to our admissions office:

Birth Certificate: Provide a copy of your child's birth certificate for verification purposes.

Immunization Records: Ensure that your child's immunization records are up-to-date and submit them along with the application.

Previous School Records (if applicable): If your child has attended a previous school, please provide transcripts or academic records.

Step 3: Attend an Admissions Interview

Upon receiving your application and required documents, our admissions team will schedule an interview with you and your child. This interview allows us to get to know your child better and assess their readiness for admission to our school.

Step 4: Receive Admission Decision

Following the admissions interview, you will be notified of the admission decision via email or phone call. If your child is accepted, you will receive further instructions regarding enrollment and tuition fees.

Additional Resources

Tuition Fees:

Virtual Tour: We can arrange a physical session where you'll be given a quick tour of the school.
